Months of Prior, Full-Time Research Experience:

Prior, full-time research experience indicates research experience gained before starting your graduate PhD program at the University of Iowa.

- Enter the total number of months of prior, full-time research experience.
- For many individuals, this value will reflect months of summer research experience or full-time research experience following college.
- For those with part-time, academic-year research experience for academic credit, convert the part-time experience to full time (e.g., 15 hours/week for 8 months = 3 months).
- Do not include labs associated with a course (e.g. organic chemistry course with lab).
- If you completed a master's degree prior to acceptance into your current graduate PhD program, that research experience should be counted.
